

Thank you for your interest in building a partnership with us! ARTS Unlimited is a Kissimmee-based traveling community theater that partners with non-profit organizations as beneficiaries of our productions. ARTS Unlimited donates proceeds from all ticket sales to our non-profit partners. Some of our previous and current non-profit partners include, but are not limited to: The Sunshine Foundation, Give Kids the World, Help Now Osceola and the Osceola Council on Aging.

We rely on support from businesses like yours to carry our mission. By advertising with us, you help us cover production costs, such as venue rental, licensing, costumes, props, building materials, and others.
